Goodman Acker Scholarship Fund

Texting and driving poses a serious safety hazard for young drivers in across the United States. To spread the message about the dangers of texting and driving, **Goodman Acker** is sponsoring the first annual Driver Safety Scholarship contest. Our **personal injury law firm** will award a scholarship to a 2015 graduating high school senior and/or current student attending a college and/or university who creates an original and informative essay explaining the dangers of texting and driving.

Sending text messages takes drivers' eyes off the road, their hands off the wheel and their mind off the task of driving and remaining alert for oncoming traffic. What can we do in our communities to convey to young drivers that texting and driving leads to serious and avoidable accidents? To enter the contest, you will need to submit a minimum of 1000 word essay. We are seeking clever and informative essays that offer a fresh take on the dangers of texting and driving. The tone can be light-hearted or serious, as long as it is catchy and original. Please do NOT include any images of car accidents. Also submit a signed and scanned application form along with a digital photo of yourself. <http://www.goodmanacker.com/our-firm/community-involvement/scholarship-fund/#top>

The deadline for submitting entries is 11:59 p.m. EST December 31st, 2014.

WIN Scholarship Program Now Accepting Applications for 2015

Leesburg, VA, October 22, 2014:

Women's Industry Network (WIN®) is committed to financially supporting females who demonstrate their desire to excel in the field of Collision Repair. As such, applications for the 2015 scholarship program will be accepted from October 22, 2014 through January 15, 2015. WIN offers scholarships that will provide tuition assistance as well as educational opportunities and enrichment events to qualified applicants. The program for 2015 includes:

The **High School Tuition Scholarship Award**, presented to students enrolled in a secondary collision repair technology program who plan to continue their education at a technical school or college. Each scholarship winner will receive a \$1,000.00 scholarship to continue their post- secondary education in collision repair and a one-year WIN membership.

All scholarship recipients will have the opportunity to be mentored by a 2015 recipient of the Most Influential Women (MIW) award, being presented at the 2015 Educational Conference May 4-6, in Baltimore, MD.

"WIN is committed to supporting and nurturing young women within the collision industry with our scholarship program," stated Beverly Rook-Twibell, Strategic Account Manager at Safelite and Chair of the Scholarship Committee. "We are dedicated not only to supporting these young women with scholarship monies but also to stay

11/6/2014

involved with them through their education and careers. We take great pride in our Scholarship Program and plan to expand the program over the next several years."

The deadline for applications is January 15, 2015. For scholarship requirement details and submission instructions, go to: <http://thewomensindustrynetwork.ning.com/page/scholarships>

For more information about the WIN Scholarship Program, please contact:
Bev Rook-Twibell at (816) 471-2444 or Email: beverly.rook@safelite.com
