Dear Parents/Guardians,

This summer, we will be hosting a FREE summer reading program for students entering grades K-5! The FREE program will be hosted at BOTH Botsford and Grandview libraries from 9:00-11:00 AM (see below for dates). If your child is a student at Botsford, he/she will attend the program at Botsford library. If your child is a student at Grandview, he/she will attend the program at Grandview library. Breakfast will be included for students!

Each student will have the opportunity to check-out new books, participate in reading activities with teachers, interact with technology (STEM), and spend time reading books of their choice. At the conclusion of each session, we will end with a FUN outdoor (or indoor depending on weather) activity!

A special feature we are offering this summer is the opportunity for parents/guardians to participate in all of the exciting activities listed above! The best predictor of student success is the extent to which families encourage learning at home and involve themselves in their child’s education. Therefore, in order to support our Clarenceville students in developing a lifelong love of learning, we are requiring parents/guardians to stay with their child(ren) during the summer reading program. In addition, we will be providing special parent activities to help you support your child’s reading at home!

In order to reserve your spot in this free program, please complete the form below.
Return to your child’s teacher by JUNE 14th in order to participate!

COUNT US IN!

This permission slip confirms my child’s attendance to the 2019 Summer Reading Program. I understand that my child must be accompanied by a parent or guardian at the Summer Reading Program.

Clarenceville School District
June-August 2019

F.A.Q. (Frequently Asked Questions):

Why should we come to the Summer Reading Program?
Numerous studies indicate that students who don’t read or read infrequently during their summer vacation see their reading abilities stagnate or decline.

Do I need to stay with my child the entire time?
YES. However long your child(ren) is present, a parent and/or guardian must be present as well.

Who is considered to be an acceptable “guardian”?
Any adult (age 18 or older) of whom your child is under the care of during that time of the day. Guardians include: any family member, family friend, babysitter, etc. This IS NOT a drop-off program.

Do we have to stay the entire time?
In order to receive the full benefit of the summer reading program (and our super fun activity each session) we highly recommend arriving promptly and staying with us until the end. However, we know this may not be possible for some. Please come and stay however long works for you! All minutes spent reading and learning with your child will add up!

We can only attend a couple dates, can we still sign up?
Yes and please do! If you know ahead of time which dates you CAN join us, please fill out the form or email those dates to Tina, Karen, or Spencer (emails are listed at bottom of page).

Can ALL students check out library books?
All current students (EXCEPT for 5th graders moving onto 6th grade).

Can my child’s younger/older siblings attend?
Yes. However, we truly appreciate all of your efforts in making this a focused learning experience for you and your elementary-aged student. Our activities will be designed for K-5 age range.

Will you be offering any adult learning opportunities during the program?
We are planning for optional Parent Learning Workshops. We want to help you be able to help your child(ren) develop a love of reading. More information to come on exact topics! STAY TUNED!

For additional information please contact Tina Saferian at tina.saferian@clarencevilleschools.org, Karen Morrison at karen.morrison@clarencevilleschools.org or Spencer Cotter at spencer.cotter@clarencevilleschools.org
